1.10 City University Baccalaureate Degree

The City University of New York is authorized to award the Bachelor of Arts Degree and Bachelor of Science Degree in accordance with recommendations made by a special committee of faculty, students and administrators known as the Committee on the City University Baccalaureate Degree. ([BTM,1971,02-22,023, C](#))

The degree shall be awarded in accordance with recommendations made by this committee.. ([BTM,1971,02-22,023, C](#))

A community college student in the University Baccalaureate Program will have the following options ([BTM,1971,12-20,005, H](#)):

- a) He or she may elect, in fulfilling the University Baccalaureate requirements, to achieve an associate degree as awarded by a community college in the University. Upon receiving the Associate Degree, he or she shall be automatically matriculated into a senior college of his or her choice for the purpose of completing the University Baccalaureate. ([BTM,1971,12-20,005, H](#))
- b) He or she may elect to proceed directly to the University Baccalaureate degree without achieving an associate degree. Such student, upon the certification of his or her Faculty Committee that he or she has earned sixty credits in good standing, shall automatically be matriculated into a senior college of his or her choice for the purpose of completing the University Baccalaureate degree.
